## From The Helm

### HOW BYC IS DIFFERENT

I remember visiting BYC in the mid 80's. I was checking out the commissioning on an expensive new yacht that we had

sold, headed for South America. The folks at Snead Island Boatworks made arrangements for me to get reciprocity at BYC with my Chicago Y.C membership.

Well BYC wasn't what it is today, but I long remembered that visit for the friendliness of the people and the impression of what a nice club it was. I even remember saying that BYC was the kind of small, everyone-knows-your-name club I'd like to belong to someday.

I'd guess that I've been in a hundred yacht clubs in my years, including Dublin, Copenhagen and Athens. Most are friendly, many are a lot swankier and my Chicago home club was terrific too. But, when we decided to retire to Florida in 2003, that strong impression of BYC was why Bradenton was on our short list.

As some of you know, we motor-sailed our "Odyssey" 3500 miles from Chicago in 75 days and headed straight for Bradenton. It took a while before we bought a house and actually joined the Club, but there was no hesitation

once we got acquainted, compared the costs and met some members.

That was 11 years ago, and we've been involved, met hundreds of members and are enjoying every minute of being BYC's Commodore and Nancy's being president of Great Mates. We've never regretted the decision to move here and join the club and work on its behalf.

As I look back on this time, and my 7 years on the Board --- I remember the bumpy years as well as the great years. I've never ceased to be proud of this club and its members. The prior boards and officers faced the recession dip, litigation, personnel problems, turnover and roller coaster membership levels. Some years we made money, some not.

We survived and got stronger. Today we are at the top of our game. Membership is hitting the stops. We have great food service. The Club is running smoothly and professionally. We have enough money in the bank that we can put in a completely new, modern and efficient kitchen with money in our capital accounts left over.

I hope you will continue to support our efforts as we head into a new year. Season's Greetings to all. -- Jack

## Around Your Club

Happy New Year to all our BYC Members! Let me start by sending a BIG Thank You from our staff to all the members who contributed to the Employee Holiday Fund. They really were grateful and truly appreciated your generosity. I have come to realize in my short two years of being here how supportive the BYC Members are.

Here's a little story to share with all of you. The Manatee River Boat Parade was canceled last minute on the day of the parade due to a high wind advisory. As the host of the Parade, we already had the club ready for a huge party including 2 live Bands along with a large inventory of food prepared that morning by 9am. In an effort to save the event, we got the word out to everyone that BYC was moving forward with our end of the Boat Parade schedule as planned. We made a few tweaks like moving the lighted boats to our long wall for special viewing along with having Tesla's Christmas car here. Even though I lifted the 48 hour cancellation policy, I was very happy and impressed by how over 300 members showed up with their Christmas Spirits saving the event. I am grateful that we put our best foot forward in a bad situation and appreciate our

members stepping up. A Big Thank You goes out to our BYC Boat Committee lead by Steven & Keri Hockett. Thanks for stepping in and getting things done.

The Entertainment Committee pulled off yet another great holiday season with such beautiful decorations and a sold out Tree Lighting event along with an excellent New Year's celebration.

In January, we keep the entertainment going with many events like our Grande Seafood Feast and Lobster Frenzy on the 5th, our new and very popular Wednesday night Mid-Week

GM George Gordon and Barbara Godfrey

Blues and Tapas with Live Entertainment on the 10th. Our Annual Chilly & Wing Cook-off is on the 14th; please check the Poop Deck for details. Another don't miss event is the Commodore's Gala on the 20th. Enjoy a night with Commodore Jack Gorman and his wife Nancy; please come show your support. Perhaps one of the most important happenings is taking place January 27th. We are having a Membership Meeting about our New Kitchen Project and members need to vote to make this project happen. Members can vote by proxy or at the meeting. Some of the questions that members are asking: Are we are shutting down during construction? The answer is NO; we have arranged to bring in Mobile Kitchens that are very well equipped to serve our full membership. How long will construction take? The project is scheduled not to exceed a six month period beginning May 2018 to the beginning of November 2018. What are we adding? The new proposed Kitchen is to extend an additional 500 square feet of unused areas to add another cooking line to better serve our members in a timely fashion.

Be sure to stop in at our club and take a look at the proposed Kitchen's Blue Print. Please do not hesitate to ask me any questions about the Kitchen Project, I will be happy to provide you with all the information you need. There are a lot of moving parts to this large magnitude of a project. I have to thank Rear Commodore Wheeler and the House Committee for all the hard work they put in to effectively bring this proposal to Membership. This project started about a year and a half ago and has been tweaked endless amounts of times with Rear Commodore Wheeler leading the way. So please make sure you vote on or before the 27th. See You Around the Club, – George

## Entertainment

Happy New Year BYC!!!! Wow, I can hardly believe it is 2018! I hope everyone had a wonderful holiday season and that you were able to make lasting memories with all of the people you treasure the most!

Having said that, now is the time to hit the ground running for our upcoming Entertainment Year. Our committee has a lot of fun things planned and we hope that you will come out to enjoy them and support the club as often as you can. First up will be our beautiful Valentine's Day Dinner which is always such a wonderful evening. George and the staff go out of their way to make it a special evening, that is for sure. Next up, on Feb 17th will be another go round of Name That Tune!!! I know that everyone really loved it last time and there was definitely a very competitive spirit among all the teams that participated!! So, get your teams together, or you can play as an individual if you choose, but it was one of our most enjoyed events last year. If you missed it, we hope to see you this time around!

I won't spill the beans about our March event just yet, but I will just say that the committee is very excited about it and it is a first time for this event at the club! So, that is just a taste of what is to come for 2018. We look forward to entertaining everyone this year and want to wish each and every one of you a fantastic, happy, healthy New Year!! – Janie

## Great Mates

A very Happy New Year to all! As we all reflect on the past and make our resolutions for the year ahead, I am hoping that those of you who have not yet done so will consider the rewards of helping those in need in our local community by supporting the Great Mates mission. Our monthly meeting programs held at BYC have been fun and informative and have helped to add funds to our annual fundraising causes.

Great Mates Gala: We are now gearing up for our Saturday, March 3, 2018 Fundraising Gala, "Sail Away to New Orleans". This is a major event and is open to

the public to attend. Please plan on coming. Invite your neighbors and friends. You can also support us by buying raffle tickets for a week-long Condo Getaway on Anna Maria Island valued at \$1200. You do not need to be present at the Gala to win. Tickets will be available for sale in the BYC Lobby each Friday evening beginning in January. They are \$20 each or 3 for \$50. Cash or check is preferred. This year's Gala recipients will be Manatee Children's Services in Bradenton as well as scholarships awarded to young students in our community and to BYC student employees. The scholarship application can be found on the Great Mates website.

Board and Committees: During the next few months we will be looking for Great Mates members who are interested in serving on the 2018-19 Great Mates committees and board. Our current officers are: Nancy Gorman- President, Gail Henderson- Vice-President, Barbara Bretko- Secretary, Kathy Pianka- Treasurer, Debra Hastings- Scholarship, Anna Broshears- Community Outreach and Cecile Stanley- Past President, Nel Rocklein and Barbara Wheeler- Membership and Hospitality and Jeanne Reeves- website support. You can let me know of your interest in helping by contacting me directly at any monthly meeting or by email at [president@thegreatmates.org](mailto:president@thegreatmates.org) or [nancygorman12@gmail.com](mailto:nancygorman12@gmail.com).

Upcoming Events: Don't miss our next monthly meeting, a "Literary Tea" held on Saturday, January 13, 2018 at 11:30am. Contact Gail Henderson at [gailforceiii@aol.com](mailto:gailforceiii@aol.com) if you are willing to help her with this event. Many surprises await you. First tour four costume and picture exhibits and taste Simpson and Vail's gourmet author teas then enjoy a full tea with chef's delicacies and then hear short presentations. See John Broshears as Hemingway and learn what happened to his boat in Cuba.

Visit Jane Austen's tea room in Bath, England and hear the world's number one nonsense poem by Lewis Carroll!

Our February meeting will be Thursday, Feb. 22, 2018 at 6pm. The program, "Love the Pearls" is a unique, informative presentation on how the pearls are valued and made. Women attending will receive a free pair of pearl earrings worth \$59 just for coming. This has been a smash success at yacht clubs throughout the state and beyond. There will be four pearl jewelry gifts including a full string of real pearls. Love the Pearls is also donating to GM charities.

Visit the Great Mates website at [www.TheGreatMates.org](http://www.TheGreatMates.org).

## Sail Fleet

Well here we are in the new year and all enjoyed the holidays I hope. Let's let the Christmas attitude of cheer and good will toward others last all year.

November's Turkey Pursuit race winners were Frank Yammamoto's *Black Star* in Spinnaker Class and Mark Berte's *Swamp Rabbit* in Non-Spinnaker Class. Both boats were awarded Turkeys donated by the BYC.

Depending on when you read this, the New Year's Bloody Mary race may still be available to shake off your New Year's Eve folly. After you have rung in the New Year, come out for a Pot Luck style breakfast and a beautiful regatta sail on the Manatee River on New Year's day. We will meet in the Tiki Bar at about 10am. Bring a New Year's good luck breakfast item and/or your favorite Bloody Mary concoction for a pre-race "hang out" and optional captain's meeting. The start of the race will be at 12pm to facilitate an incoming tide for the bigger

boats. Please contact Tom Grubb if you will participate and provide your PHRF rating, if you know it. The classes will be Spinnaker class or Non-Spinnaker class. If you are willing to take an extra person or two, let Tom know!

The Cruise Fleet enjoyed a cruise to the St. Pete boat show. Ten boats and 26+ people participated and good comments were heard all around, especially for Saturday night at the Parkshore Grille. A group is planning to

cruise south after Christmas and share New Year's Eve at the Boca Grande marina.

December's Fleet meeting was a Christmas party with homemade desserts by member volunteers. I hope you didn't leave on a sugar high like I did. Sea stories and a good time were shared by all. Cecile Stanley and Rick Casson were awarded their Sail Cruise burgee for their inaugural cruise with the fleet. Way to go Cecile and Rick!

Special thanks to Tom and Becky Dugan, Cecile Stanley, Rick Casson and Lucille Negin on helping decorate the Sail Cruise tree, and especially to Cricket who planned, purchased all new decorations and oversaw the tree decoration. The decorations are based on a nautical knot theme. It's unique, stop and look at it if you haven't.

The Sail Fleet's January meeting program will be by Ravi Parent, an aspiring professional sailor. Son of past BYC members, Ravi started sailing at the Pram Fleet. Now an engineering student at Boston University and pre-qualified for the Olympic sailing team, he will tell us of his journey and sailing accomplishments. You don't need to be a Fleet participant to attend the meeting so check out his website at [raviparent.com](http://raviparent.com) and come hear him in person. – Charles

# BLOODY MARY REGATTA

MONDAY, JAN 1ST 10:00AM

The Bloody Mary Regatta is only a couple weeks away!

After you have rung in the New Year, come out for a Pot Luck style breakfast and a beautiful regatta sail on the Manatee River on New Year's Day.

We will meet in the Tiki Bar at about 10am. Please bring a New Year's good luck breakfast item and/or your favorite Bloody Mary concoction for a pre-race "hang out" and optional captain's meeting.

The start of the race will be at 12pm to facilitate an incoming tide for the bigger boats.

Please send me your RSVP for your boat, and your PHRF rating, if you know it. The classes will be Spinnaker class or Non-Spinnaker class. The course will most likely be the attached course, unless winds heavily favor something more fun. I will announce any changes at the Tiki Bar before the race.

If you would like crew, or are willing to take an extra person or two, please let me know! We have had more interested crew than boats lately.

## *Navigators Club*

2018 is looking like it will be a great year! The Navigators are planning many exciting adventures and we look forward to having lots of fun together.

We ended the 2017 year with many wonderful excursions. First, on November 29th, Josh Huntington, Ilene Skeen, Anita and Howie Stein, Bill and Sandy Boyce, their grandson, Cathi and Sid Fleming and myself visited Myakka River State Park. We took a ride on the open air boat and saw many alligators along the shoreline and birds, including bald eagles flying over our heads. We climbed the Canopy Walkway (suspension bridge) over the treetops. Even Anita climbed the staircase to get to the bridge but paid the price the next day. Unfortunately, we did not come across a roseate spoonbill in the park, which we all were looking for all day. After, we ate at the Stottlemeyers Smokehouse (a huge open air restaurant) which I would highly recommend. Thank you Cathi and Sid Fleming for hosting this trip.

On December 6th, Lee and Linda Conrad, Meridith Slavin and two friends, Howie and Anita Stein, Josh Huntington and Ilene Skeen, Jack and Nancy Gorman, and myself took a back stage tour of the Asolo Repertory Theatre; Racquel and Jose

Distributors) to listen to Craig Knudsen and the "Piano Guys". What a wonderful, inspiring concert. Thank you Bill and Sandy. Seeing the Navigators always seem to include food in our excursions, this time was no exception. We had dinner at a new Italian restaurant, Ristorante Acqua Alta in Clearwater and it was very good.

On December 19th we had our Christmas party. We exchanged gifts and had lots of food and laughs.

Remember, the Navigators meetings are open to all BYC members. We meet the fourth Tuesday of each month and reservations need to be made to enjoy the "Two for \$22 dinners". Hope to see you soon or around the Club! – Diane

Abarca and Sandy Boyce joined us later for the show. Our guide, Alex Suczewski, was very informative. We viewed the props and costumes for the current show, *Evita*. What an opportunity to see the theatre from the stage! We learned about the "flies" (the ropes that carry the actors, scenery and props in and out of the show) and were thrilled to have this opportunity. The show *Evita*, was fabulous. We are so fortunate to have such talent so close to home! Thank you Josh and Ilene for hosting this wonderful trip!

On December 14th, a group of Navigators attended a Holiday Concert at Bill and Sandy Boyce's Clearwater store (Piano

## Power Fleet

Merry Christmas everyone. Well, last months trip to Turtle Cove Marina did not go as planned. We got some bad info from one of the girls who worked there. She told a few of our cruisers the water was 4 feet at low tide, so like dominos everyone started canceling. I called Tampa Yacht Club and they could take all 10 boats. Since we were just there, and the winds were suppose to be up a bit, and nobody wanted to go, we split up. 4 boats went to Treasure Island, one to Pass A Grill, and one to St Petersburg Yacht Club. A few others went and anchored at the cross on the river. The water is actually 5.5 feet at low tide, so we had to scramble, but we still had a great time. As the great philosopher Joe Dirt once said, "you just gotta keep on keepin' on". We started out Friday night at the wonderful seafood buffet, Saturday we went to the sand sculptures on Clearwater beach, and then on to Spinners, a spinning rooftop restaurant for lunch. It was also the first annual bike week at St Pete

Beach, so there was a lot to see. We met up with Don and Joann Meilner at Pass A Grille in the afternoon for cocktails and then went to a very good comedy show back at Treasure Island Club. We all had a really good time and the winds never got too bad.

Decorating the BYC and Harbor lights came next. Tammy, Don and Joann Meilner and Randy Greely and Linda decorated the power fleet tree. We couldn't believe it when we

got FIRST place. Special thanks to Tim and Nel Rocklein for the new decorations. I am sure that pushed us over the edge.

Then came Harbor lights. What a fantastic display of lights from all the boats, they were all beautiful. Once again, the power fleet scored big with a FIRST place vote for Food (sausage and Peppers), the Westbrooks FIRST place for drinks (mudslides), the Meilners with a third place for decorating and food (chili) and the Switzers 3rd place for drinks. What fun everyone had.

The power fleet meeting was very well attended considering the time of year. We had 32 people and the BYC staff prepared a great meal of Turkey and Dressing, carved ham, mashed potatoes and gravy, green beans soup, salad, and apple pie a la mode. We filled up the boxes for Toys For Tots, so a big hand to all those who participated. I am sure there will be many smiling children thanks to all of you.

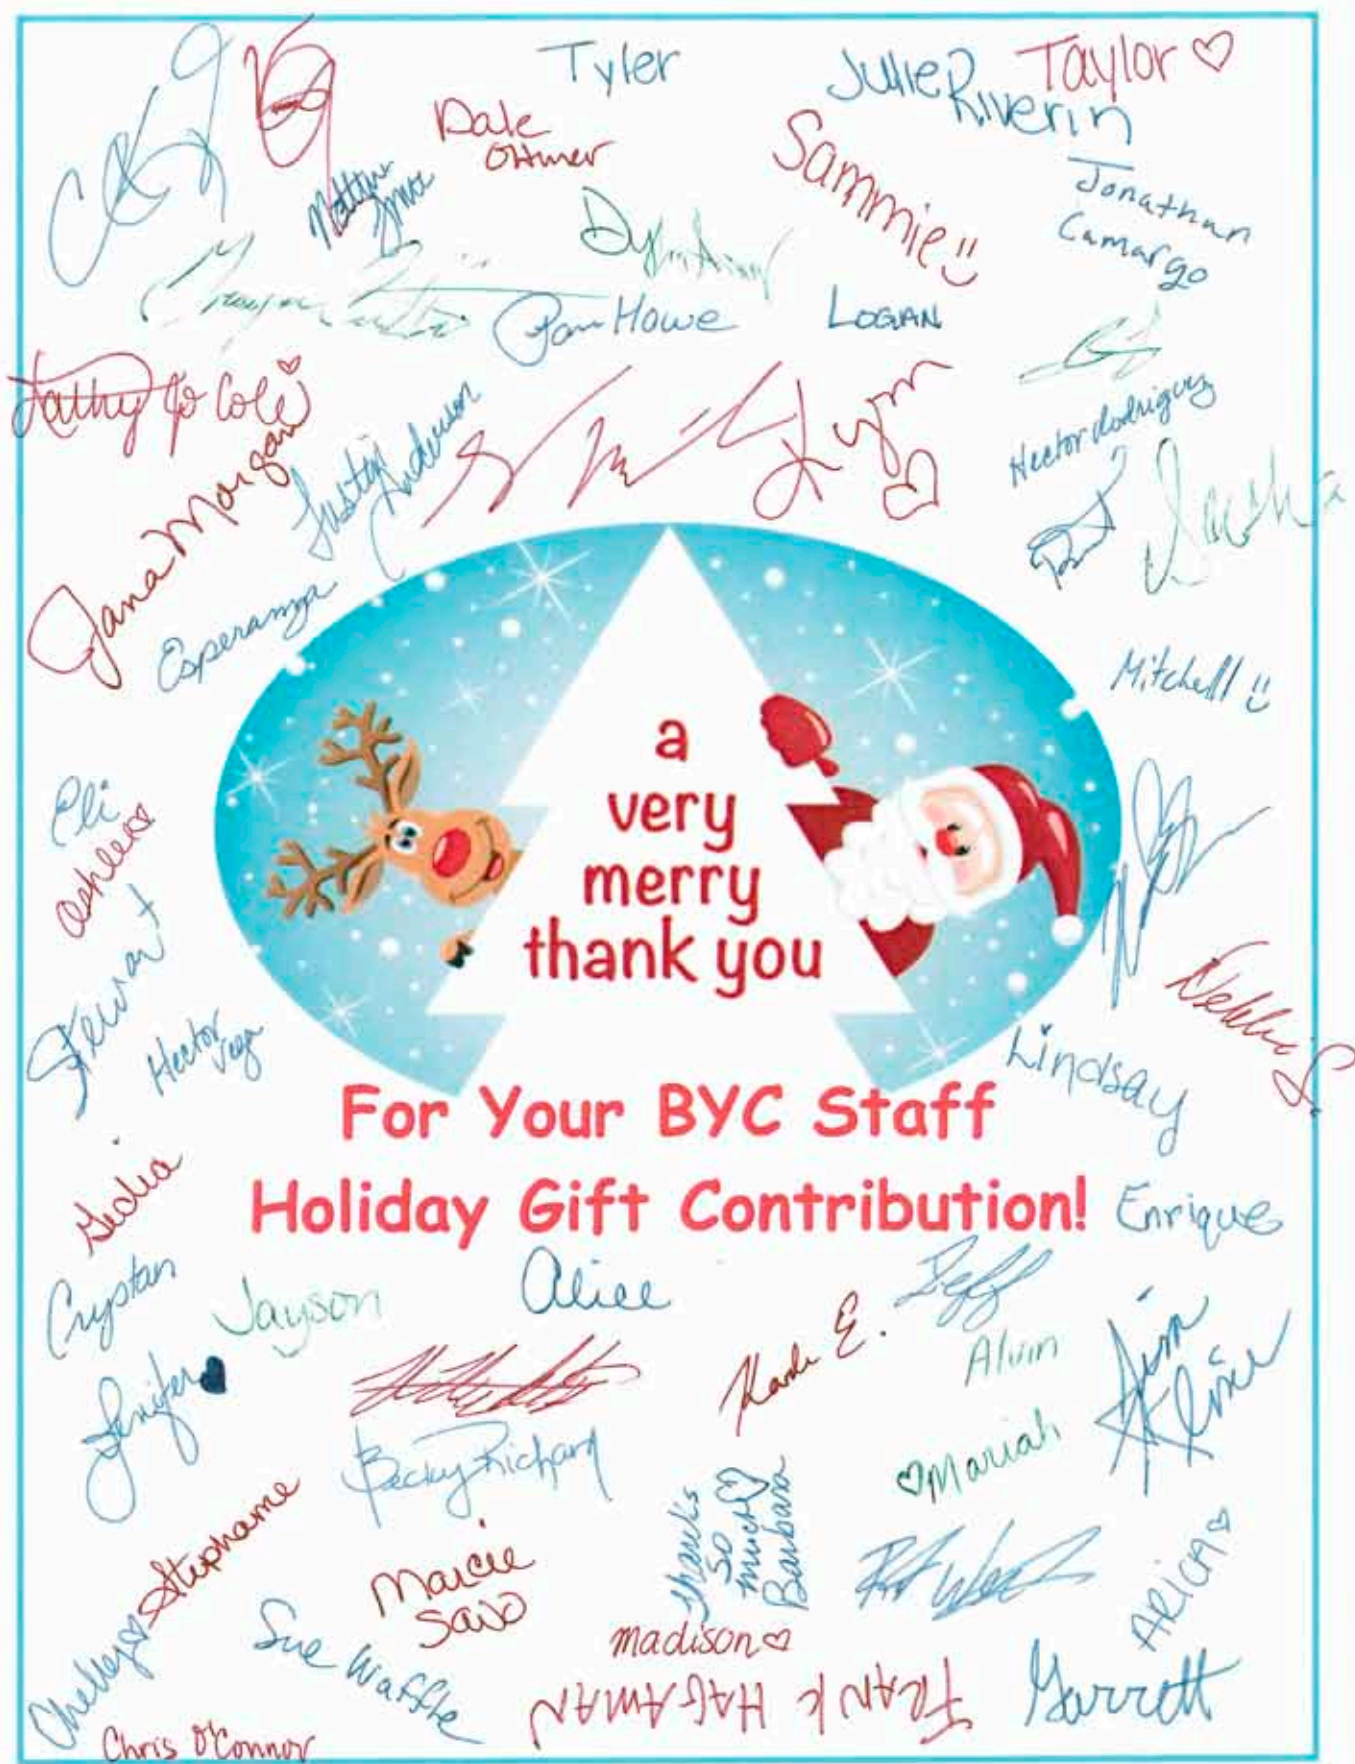

We have 10 boats scheduled for St Petersburg Yacht Club on Jan 12,13 and 14, and we are going to try something new, Saturday night we will have movie night. We got a 97" screen and a projector to play DVDs, so feel free to join us if you are around; it will be a pot luck dinner. February we are scheduled to go to Marina Jack and in March, The Field Club.

Happy boating everyone, and remember to make everyday Christmas and every night New Years next year and it will be another great year.

Cheers. – Bobby

## BRIDGE CLUB

### DAYTIME BRIDGE

The Bridge/Lunch/Bridge Group, which meets the 2nd and 4th Wednesday of each month plays a very informal game. Using tallies for three-table progressions, your partner may be someone you've never met before, and who may use a different approach to the game. It makes for a day of fun and fellowship even if Newell Yaple is going to win high, second, or third prize every time! We occasionally seat 12 individuals, but if we are missing one or even two players, someone always cooperates to bid the hand so that we keep up the momentum. There were three dates of play since our last report. On Nov. 8th, Gary Morgan had the high score; Newell Yaple came in second; and Bob Beltz took third place. On Nov. 22, Bob Beltz took first place and David Tyler won second place. (Since there were only two winning slots, we shut Newell out.) December 13th seated 11 players. Carla Morgan took away first place; Freda Logan was 2nd, and I'll keep you in suspense about third place...dot, dot, dot; You guessed! It was Newell Yaple. A new member, Wilma Keller, has inquired about our daytime game and shows interest in joining us, so we look forward to her participation. The next date of play is December 27th.
